

ABOUT US: ENTITY SOLUTIONS

We provide you with a compliant structure to carry out your contract role, ensure all statutory obligations and insurance requirements are met, as well as manage the payroll and administration of your contracting arrangements.

With the essentials taken care of, you have the opportunity to explore an additional suite of services designed to add value to your lifestyle, professional development and financial welfare.

How We help

We can help you anywhere in the world, with offices across New Zealand, Australia, Asia Pacific and the United Kingdom.

Our range of contractor services help you get the most out of your career as a contractor

Our great mobile app (Entity Mobile) allows you to submit time, view contracts and payment advices on the go

We have an easy to use web portal (Entity Online) for viewing contract assignment details, payment advices, allowances and contract history

Our in house tax team can help manage your personal and professional tax affairs so you can enjoy continuity of service

Our superior service enables us to deliver absolute peace of mind to all

Our Contractor Services

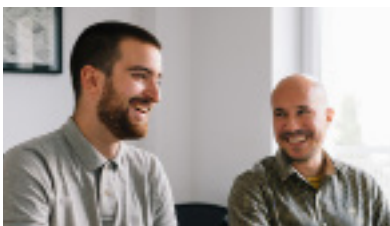

Contractor Management Outsourcing

We provide a holistic Contractor Management Service for individuals, which includes contractual engagement with your client and assessment to determine the most appropriate form of engagement. We ensure you are compliant at all times and can manage all administration and tax obligations for you.

Administration of Engagement Includes:

- Billing and payroll
- Professional insurance coverage
- Statutory liability coverage
- Online contractor portal and mobile app that allows you to submit time, keep track of your earnings, deductions and contract assignment documentation
- Online submission of expenses and payment

Contractor Services

As a Contractor, it can be difficult to balance all of your compliance requirements and maintain your focus on being engaged in a fulfilling and financially rewarding role. Through our New Zealand Entity Business and Taxation division (EBAT) we can assist you with a fully managed tax and accounting service. Key features include:*

- Tax & Accounting Services
- Business Insurances
- Health & Sickness Insurance
- ACC Coverplus

Migration Services

Migration Consultation

We provide advice and consultation for all types of visa applications for companies and individuals seeking to travel to New Zealand for employment purposes and those who wish to migrate permanently. We are registered with the New Zealand Immigration Advisers Authority (IAA).

Permanent Migration Assistance

We go through a process with you which provides you with:

- An assessment on which visa best suits your personal requirements
- An assessment for eligibility for more than one visa type if required
- Advice and guidance on the documents and information required in support of your visa application
- Preparation and lodgement of resident visa applications with INZ

Temporary Migration Assistance

Preparation and lodgement of temporary visas with INZ, including but not limited to Work Visas, Student Visas, and Visitor Visas.

We provide advice in accordance with Immigration New Zealand (INZ) policy

We manage your visa application throughout the process, take responsibility for all correspondence with INZ and keep you informed of developments relating to your application while it is processing.

Our experienced Licensed Immigration Adviser is registered with the New Zealand Immigration Advisers Authority (IAA) and can assist in the preparation and lodgement of New Zealand visa applications.
